Tips

For the perfect Cheese Board

- It all starts with cheese! Offer a **variety of cheeses** for different textures. Choose soft cheeses like Brie and Mozzarella, strong flavors like Blue Cheese and Gouda, and hard cheese such as Aged Cheddar and Parmesan. **About 3-4 oz. of cheese per person is a good serving.**
- Pick 2-3 different **cured meats** like **prosciutto, salami or pepperoni**. **Plan on about 2 oz. of meat per person.**
- Thin slices of **baguette** or lighter crackers should complement your cheese and meat choice.
- **Olives** and a variety of **nuts** provide a flavor contrast and crunch.
- Dried or fresh **fruits** add natural sweetness to the salty cheese and meats. **Honey** or jam will work well with that.

*Many cheeses taste better close to or at room temperature.
Pull these cheeses out of the refrigerator an hour or so before serving.*
