BUILD A BOARD

Steps to building the perfect board

1. How many people are you serving?
How much other food will be served?
2. What type of event is it? Sometimes the event or time of year dictates the type of flavors you plan to serve.
3. Remember that looks matter. Using a variety of colors, having stacks of food, shingling food, and garnishing will contribute to the overall look.
4. Offer a variety of cheeses for different textures. Choose soft cheeses like Brie and Mozzarella, strong flavors like Blue Cheese and Gouda, and hard cheese such as Aged Cheddar and Parmesan. **About 3-4 oz. of cheese per person is a good serving.**
5. Pick 2-3 different cured meats like prosciutto, salami or pepperoni. **Plan on about 2 oz. of meat per person.**
6. Thin slices of **baguette** or lighter crackers should complement your cheese and meat choice.

Many cheeses taste better close to or at room temperature. Pull these cheeses out of the refrigerator an hour or so before serving.

Find everything you need for your cheese board in our Specialty Cheese department. We have over 250 cheeses from around the world, plus specialty cured meat!
