MAKE A CHEESE BOARD TO PLEASE A CROWD!

Find everything you need for your cheese tray in our Specialty Cheese department. We offer over 250 cheeses from around the world plus specialty cured meats.

TIPS FOR A PERFECT CHEESE BOARD

1. It all starts with cheese! Offer a variety of cheeses for different textures. Choose soft cheeses like Brie and mozzarella, strong flavors like blue cheese and Gouda, and hard cheese such as aged cheddar and Parmesan. About 3-4 oz. of cheese per person is a good serving.

2. Pick 2 to 3 different cured meats like prosciutto, salami or pepperoni. Plan on about 2 oz. of meat per person.

3. Thin slices of baguette or lighter crackers should complement your cheese and meat choices.

4. Olives and a variety of nuts provide a flavor contrast and crunch.

5. Dried or fresh fruits add natural sweetness to the salty cheese and meats. Honey or jam will work well with it all.

Many cheeses taste better close to or at room temperature. Pull these cheeses out of the refrigerator an hour or so before serving.
